

koin Markets

A happier and healthier breakroom powered entirely by your smartphone.

Select the food or drinks you want from our snack racks or coolers.

How Does It Work?

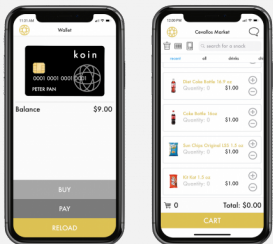

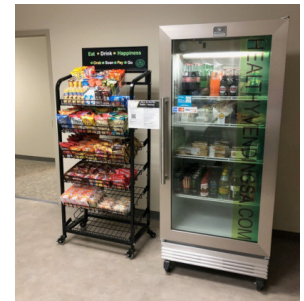

Scan the products using the koin application on your Android or Apple smartphone.

Enjoy a breakroom with a wide choice of better-for-you products!

CUSTOMIZED FOR YOUR BREAKROOM

We'll create a custom layout that best fits your breakroom space. Plus, we'll stock products that you and your coworkers love.

EASY CHECKOUT

With the koin app, you can checkout in seconds! Plus, you can remotely view the koin market to see if your favorite products are in stock. Provide service feedback, request products, and check your snacking history all at the touch of a button.

HOW DO YOU GET STARTED?

We'll provide a koin market in your office at no cost to you. Simply provide us the space, and we'll do the rest!

A better breakroom is just around the corner. Get started TODAY!
